

Rahul Kumar

FULL STACK WEB DEVELOPER/ B.TECH CSE

CAREER OBJECTIVE

As a frontend web developer, my career objective is to leverage my technical skills and creativity to craft exceptional user experiences on the internet. I am committed to staying at the forefront of web development trends, continuously expanding my knowledge of HTML, CSS, and JavaScript, and mastering popular frontend frameworks like React and Vue.js. I aim to make a meaningful impact in the web development field by creating seamless and engaging online experiences for users worldwide. And also I have some knowledge in linux
